

① Major crimes

Better interpretation of actual numbers on Y-axis on bar plot.

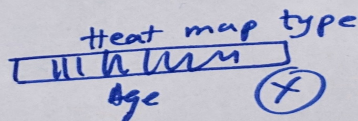

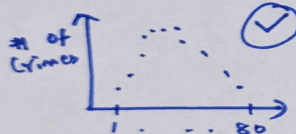

Same thing applies for weapons used!

② Gender

Pie chart is simpler

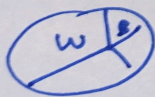

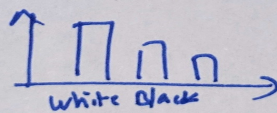

Age

Line/dot chart is fine

Race

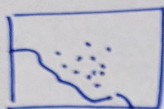

Categorical

Lot of races, not visible

③ Maps

Maps

Major crime - ?

Crimes like theft are more common but effects are not very severe.

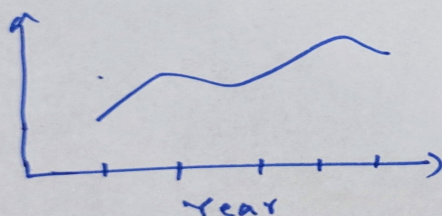

Analyse big crimes like rape & murders?

① Where they are occurring?

↳ Most dangerous places in the city?

② Men or women victims?

④ Temporal

↓
Line chart is better!

~~Only one~~

Only one line chart? Too simple

By crime type → Most frequent ones
